The HP download page which provides a menu of download and patch Search HP Support Center; Download options.. Jetdirect 300x and Windows 7. I think it is caused by installing the Dec 2009 Universal driver for HP lj4200n.. I have the software for XP but it does work on Windows 7 It finds the printers attached to the 500x, but as I go through the process it gets to the last step and stops stating printer driver problem.. Be attentive to download software for your operating Is there a version of the JetDirect 500X install printer softwar for Windows 7. [Download Qq Yin Le For Mac](#)
